

# K L FIFTH STREET SPLASH PARK

*OUR COMMUNITY WORKING TOGETHER*

April 7, 2010

Mr. \_\_\_\_\_

Dear \_\_\_\_\_

The fundraising is underway to replace the Fifth Street Playground with a fantastic new **Splash Park**. The price of the park will be **\$180,000** and target date for completion is Summer 2011. The vision of our committee is for a fully accessible space where families can spend quality time developing life lasting memories. This park will be free admission.

Our project is to upgrade existing washrooms to include wheel chair access. Beautify the existing grounds with the addition of benches, picnic tables, flowers and greenery.

The main centerpiece of the park will be a Zero-depth "Splash Pad" with multi aquatic elements for families to enjoy and cool off in that summer heat!

The KL Splash Park Committee is led by committed volunteers Doug LaBerge, Cliff Lafreniere and Tony Antoniazzi.

We would appreciate your support of this great project. Please call Doug, Cliff or Tony if you would like more details. You can stop by Town Hall or Pinewood Park Motors to make a donation or mail your cheque to Pinewood Park Motors, 1400 Government Road West, Swastika, Ontario P0K1T0. Receipts for tax purposes will be issued.

**We're working together to make KL the best place to live, work and PLAY!**

Sincerely,

\_\_\_\_\_

Tony Antoniazzi
